

# WILD in IOWA

*The goal of "Wild in Iowa" is to provide K-6th grade students with an understanding and appreciation for Iowa's native wildlife.*

"Wild in Iowa" is a program that makes use of "trunks". Each trunk includes posters, puppets, skulls, tracks, books, study skins, and activity guide, for each animal or trunk topic. The trunks are available for use in classrooms for one week. Please call or send this form in to request a trunk. Trunks are reserved for your classroom on a first form received, first scheduled basis. Teachers will be notified of their trunk reservation by postcard.
