Email kjszalkowski@leecounty.org

Winter programs run November 15-March 15 of each year. Please limit winter programs to three per classroom to give each school a chance for programs. If there is topic you have in mind, but it is not on the list, just let us know and we can design a program to fit your needs. These programs can be scheduled at any time by calling our office; we fill up quickly, so call early!!

KINDERGARTEN

Baby Animals

Students will see “Are you my Mother” puppet show and play a matching game where students match the adult animal with the baby animal.

Salamanders

Students will learn about salamanders through a story, hide n seek game, color sheet and best of all they will get to see a live salamander.

Feathers For Lunch

Students will learn to identify different kinds of birds and hear their calls and listen to *Feathers for Lunch*, by Lois Ehlert. They will also make a mosaic bird craft.

Trees

Students will listen to *The Secret Life of Trees*, take a peek inside a large wooden tree to discover who lives there and learn about trees. They will also make a magnet leaf craft.

The Mitten

Students will listen to the story “The Mitten.” After the story they will make a mitten and decorate them with glitter and animals from the story. Please let us know the number of students in your class when signing up so we can have all the materials.

Wild Turkey

Students will enjoy a turkey story, learn about wild turkeys, hear its call, touch feathers, play turkey hide n seek, and make an edible turkey craft. If you would prefer to not do the edible craft, please let us know when you schedule.

(Revised 2010)
