. . . to acquire, develop, maintain and provide the public access to, a variety of areas that will meet the conservation, recreation and wildlife needs for the general well-being of those people while providing development and conservation of natural resources and improving citizenship through programs of education and recreation.

December 12, 2014

To; Board Members
From: Tom Buckley

This agenda will deal primarily with the bids for the new building. We will open the bids at 3:00 PM and let the bid, providing it within the bonded amount at 3:10 PM

The only other Item I added is time for my response to the evaluation and that should clean things up for this year.

Let me know if you have any questions.
