2. Discussion on Duck Blind Rules with Duck Blind Committee

Scott Umthun served as the spokesperson for the Duck Blind Committee.

The Board and committee members were presented with a letter from the Habitat Stamp Grant Committee that indicated they did not support the use of permanent blinds on county areas purchased with a Habitat Stamp Grant. This was in line with a previous letter sent in 2009.

The Duck Blind Committee asked the Board to reconsider allowing permanent blinds on county-owned areas in the Mississippi River and proposed new rules that they feel will improve the permanent blind program. The committee would like to see permanent blinds on all areas but understand that it might only be feasible on the areas that were not purchased with a Habitat Stamp Grant.

The Board asked questions of the committee regarding rules, definitions, and policing of the areas where duck blinds might be allowed.

The Board thanked the committee for all of their hard work and preparation for the meeting.

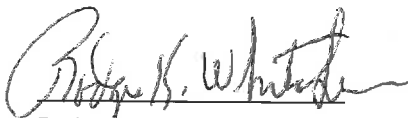

The Board agreed to discuss this matter further and will plan to have it on the agenda of their next regular meeting.
